3.1 Type of construction:

Concrete block exterior walls and partitions. Exterior walls clad on outside with insulation and metal siding.

3.2 No. of stories:

One story plus penthouse. No basement.

3.3 Increments of construction:

No additions.

3.4 Area of building:

Inventory records in Campus Planning show 17,109 sq. ft. gross and 11,675 sq. ft. net assignable.

B. PLANNING & CONSTRUCTION

1. The Board of Trustees on December 11, 1980 approved plans prepared by John Kincheloe, and authorized the solicitation of bids and the awarding of contracts.
2. On December 10, 1981 it was reported to the Board of Trustees that bids had been received on October 8, 1981 and that contracts had been awarded. However, that project was later revised, new bids were taken, and new contracts were awarded.
3. On February 4, 1983 it was reported to the Board of Trustees that bids had been received on November 23 & 30, 1982 and that contracts had been awarded to the following contractors:

General: M & P Construction Co.

Plumbing: Radico, Inc.

Fire Protection: Capital Fire Protection

Heating, Ventilating, & Air Conditioning: Radico, Inc.

Electrical: Seco Electric Co.

4. Completion & Occupancy:

The Office of Campus Planning & Space Utilization was notified by letter dated January 26, 1984 that all interior spaces were released for use as of January 19, 1984. (P)

C. COST

The report to the Board of Trustees on February 4, 1983 indicates a total contract cost of \$1,294,805 and a total project cost of \$1,539,409.82.
